THE PLOW.

God speed the plowshare! tell me not Bisgrace attends the toil Of those who plow the dark from soil. Or till the fruitful soil. Why should the honest plowman shrink From mingling in the van Of learning and of wisdom, since Tis mind that makes the man.

God speed the plowshare, and the hands. That till the fruitful earth.
For there is in this world so wide.
No gen like honest worth.
And though the hands are dark with toil,
And flushed the manly brow.
It matters not, for God will bless.
The labors of the plow.

Current Wine. Take good ripe currants picked clean from stems, leaves, and unripe and decay-ing fruit, and for every pound of currents take one pint and a half of water and one pound of good white coffee or loaf sugar. Mash the currants fine in the water, (with the hands is easiest) and let the mass stand in a cool place forty-eight hours.—

Then strain and press out the inice, and Then strain and press out the inice. Then strain and press out the juice, and add the sugar. As soon as the sugar is dissolved, put the wine into clean, sweet Atterney at Law, Webb's New Block, Main Street deaux picked up in front of the Chicago jugs or casks, filling them up to the top, and leave out the corks or bungs.— Set MY DEAR SWEETEST DICKEY-I am so them in the cellar or a cool room, and let Att happy to hear from you so offen-it affords them stand till October. Among the advantages it has ever others, are the following:

1st—The works are so arranged that the Machine can be run backward or forward, sewing equally well either way, it can always be started with the foot alone, and is always sure to be right.

2d—The needle is perfectly straight, thus enabling it to work through heavy goods without trouble or danger of breaking by springing as with curved enes.

3d—The through sused direct from the speeds both upper and lower, thus saving the trouble of rewinding.

4th—Its simplicity and non-liability of getting the same and the same and

HOME TENTIMONY. Sth.—The case with which it can be operated, and the durability of its work, the scam is very classic, and cannot be ripped, although every fourth stitch is cut.
